Workbook B2 1: Build trust by accepting, listing, and acting on what you truly appreciate about each other. Theme: “Be in control of your destiny, and together you can control what’s next.” Hello! I am Anna Amiry, a leading Psychologist. In the world, today more than ever, is there a level of understanding and control of our personal lives. From School, work, relationships and families; we are constantly bombarded with advice on how to deal with daily challenges. What do we really want from ourselves and our world? Who do we want to be? This is exactly why I am here; I want to help you understand how to be in control of your destiny, and together you can control what’s next. Before we get started: Please refer to the "Career Opportunities" section for your career / life path. Or if you need to build a better path for yourself, choose a higher meaning of work as a career. Don't waste your energy trying to convince yourself, but be sure to look for answers. Many of us find ourselves in jobs and relationships for the wrong reasons. We don't know ourselves or our true desires. So we settle for work and relationships that don't fit with who we are, because of fear. That doesn't help us in our daily life or our future. We are here to help you find your true purpose in life and use this for a higher purpose. Thank you for signing up for my newsletter! Welcome to Psychotherapist101! There are many ways to address the issues and challenges you face in your life. Do you feel overwhelmed? Do you want to find your true purpose? Do you want to get out of a job or relationship? Do you want to make a significant change in your life? Do you want to build confidence? Do you want to have a healthy relationship? I can help. Together, we can change how you think about yourself, what you value, and where you want to go. Hello! I am Anna Amiry, a leading Psychologist.
